ABOUT HYDRO TECH

Building reliable hydraulic connections since 2010

Founded in 2010, Radhe Enterprise has grown into a trusted manufacturer of premium Quick Release Couplings (QRC) under the brand HYDRO TECH. Operating proudly from Rajkot, Gujarat, we specialize in high-quality hardware for agricultural, tractor, and heavy-equipment industries.

We combine the best raw materials with in-house CNC machining to deliver precision products. From strict testing protocols to custom size manufacturing, our primary focus remains firmly on delivering 100% quality assured components to our clients all over Gujarat and beyond.

WHY MANUFACTURERS CHOOSE US

In-house CNC Machining

State-of-the-art CNC turning and milling under one roof for complete precision and process control.

Strict Quality Testing

Every batch undergoes rigorous testing to ensure it survives heavy pressure and tough working conditions.

Custom QRC Solutions

We provide tailored manufacturing for custom sizes and specifications to meet your exact machinery needs.

Fast Delivery

Dedicated and reliable supply chain ensuring fast on-time dispatch and delivery across Gujarat.

PRODUCT CATALOG

Engineered families for every machine

A selection from our 1,200-part catalog. Every component is batch-traceable and stocked for rapid B2B fulfilment across agricultural, tractor and industrial hydraulic applications.

STANDARD QRC

3 Variants

High-pressure quick release couplings for general industrial and hydraulic connect / disconnect applications.

TRACTOR QRC

7 Variants

Direct-fit couplings engineered for Eicher, Sonalika, Farm Track, John Deere, Massey, Mahindra, Power Tech & more.

METRIC QRC

3 Variants

Precision metric-thread couplings and dust caps for OEM hydraulic circuits — 18/1.2 & 20/1.2 series.

FITTINGS

2 Variants

Male thread hydraulic fittings (3/8" & 1/2") for secure, leak-free hose and cylinder connections.

Custom sizes, threads and OEM branding available on request — see Contact page.

STANDARD QRC SERIES

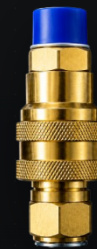

High Pressure Quick Release Couplings

Heavy-duty quick release couplings designed for reliable connection and disconnection in high-pressure hydraulic applications.

HIGH PRESSURE QRC

High Pressure Quick Release Coupling

Precision-machined brass and steel body.
Positive-locking sleeve prevents accidental disconnection under working pressure.

STANDARD QRC

STANDARD QRC

1/2 x 3/8 Quick Release Coupling (QRC)

Size: 1/2 x 3/8

STANDARD QRC

STANDARD QRC

1/2 x 1/2 Quick Release Coupling (QRC)

Size: 1/2 x 1/2

STANDARD QRC

STANDARD QRC

1/2 x 3/8 Male-Female (Old Type)

Size: 1/2 x 3/8 - Old Type

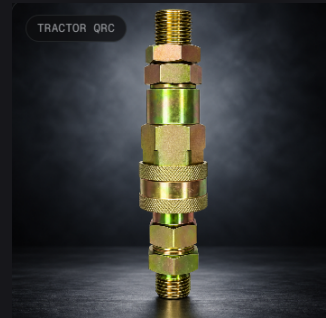

TRACTOR QRC SERIES

Direct-Fit Tractor Couplings

Reliable quick couplings designed for tractors and agricultural equipment, providing secure and efficient hydraulic connections — direct-fit for major tractor brands, no modification required.
